from every corner of this country as well as every point on the globe. The Prince of Japan just visited from that island to gaze upon this rock famed in legend as the landing point of the Pilgrims. No one will ever be sure that it bears the ancient footprints but it is enshrined in a marble canopy and receiving homage even as we consume the turkey on the special day of celebration of the landing.

In our age of miracles, it is wonderful to realize that a very ordinary rock can draw a crowd as it has since 1920 under this cover.

Mattapoisett Selectmen's Meeting

NOVEMBER 17, 1987 - by D.C. JASON

ASK SIGN REMOVAL

Selectmen met with Mr. and Mrs. Mooney, owners of Freddie's Package Store on Route 6, concerning a portable neon sign that fronts the highway to mark the store. Mr. Mooney said that the Mattapoisett Building Inspector had appeared some time ago and told one of the employees in the store that the sign had to go. Subsequently, Mr. Mooney said that he received a letter from the Selectmen's Office stating that "after several warnings" the sign must be taken down.

Selectman Frank M. Suzan explained to Mr. and Mrs. Mooney that in May 1985 the town meeting had voted to ban such portable lighted signs and that had been done until at present there are only 3 left in town. Mr. Suzan said that he believed that the store Mr. Mooney owns may be under "grandfather" protection. However, he said that, "It is the desire of the town of Mattapoisett to do away with this type of sign. Everyone else has the same problem." Mr. Suzan said, in answer to Mr. Mooney's reply that the sign was vital to the business, "We request that you be a good neighbor and conform to the standard that all of the other businesses are following."

It was suggested that a permanent sign could replace the temporary one and that planter boxes in the base could conceal floodlights to light the sign at night and stores that have done this have found it an attractive alternative. Mr. Mooney

HARBOR LOCKERS TO BE REMOVED

After meeting with Harbormaster Steve Mach, Selectmen voted to discontinue the renting of lockers at the town wharf. The space gained by the removal will be used by the harbormaster as a work area. People who now rent these lockers will be notified that they must be emptied.

In other business, Selectmen:

NOTED A LETTER from David Szeliga who wrote to commend Officer Faulkner following an incident on November 1st when Mr. Szeliga heard gunfire while trout fishing. He had noted that it was Sunday and the gunfire seemed "reckless" and ruined the day for him and other fishermen. He notified the police department via C.B. radio. Officer Faulkner responded and impressed Mr. Szeligia with his professional investigation which was promptly instigated.

NOTED A LETTER from Richard B. Young saying he would like to be advised where the town is proposing to spend 15% more money than it spent last year.

Selectmen will forward the letter to the Finance Committee. Frank Suzan remarked that, he too, is concerned with the automatic higher evaluation of the town real estate (because it results in negating of the intent of Proposition 2 ½)

NOTED THAT THE DEPARTMENT OF PUBLIC WORKS requires the posting of weight limits on the all town bridges. Frank Suzan remarked that he had asked Manuel Nunes, Highway Surveyor, about the Manny Nunes Memorial Bridge capacity and that Mr. Nunes had told him that it would hold up an aircraft carrier if necessary.

NOTED A LETTER from Frances T. Duff who spoke against a barrier along Barstow Pier (by the Town Beach) by the boat slips. She felt it would make it hard to get to the boats.

QUESTION:

WHY SHOULD ATHLETES HAVE CHIROPRACTIC SPINAL MANIPULATION?

ANSWER: Because it can help their performance.

Many amateur and professional athletes are sidelined with injuries that could be avoided. Others sit it out on the bench because their injury just doesn't seem to respond to ordinary treatment. Still others are playing, but at less than their peak efficiency simply because their structural system is not in balance.

Progressive coaches and trainers are realizing that pain-killing drugs are not the answer. Drugs and medications merely cover up the symptom, deceiving the player into actions which could make the injury more serious.

Probably more than any other health profession, chiropractic's approach to health closely relates to the needs of the sports participant. Most sports involve body contact, leverage, fast starts and stops, and positioning that places an unusual strain on the back and structural system. Doctors of chiropractic consider the human as an integrated being, giving special attention to spinal mechanics and neurological, muscular and vascular relationships. Chiropractic is a natural health care method that stresses the importance of keeping all the systems of the body functioning efficiently, so the player enjoys peak performance, a minimum injury risk and fast recuperative powers.

Here's what you can do:

- Make certain that your athletes are properly prepared for the sport. Preventive care dictates the wisdom of visiting a doctor of chiropractic for a spinal examination on a regular basis. If the diagnosis shows anything not within the scope of chiropractic treatment, the conscientious doctor of chiropractic will refer the athlete to one of the other health specialties.
- Make certain that a doctor of chiropractic is a member of your health team. Many of the high-performing professional and amateur teams have retained doctors of chiropractic as their team physicians.
- Minimize the use of drugs and medications and utilize natural health methods.

and also to make possible affordable housing under the control of the town.

A thank you note was received from Norman Cartmill who enclosed a check for the use of the Fire Department in appreciation of the excellent job the department did when they responded to a fire alarm at Mr. Cartmill's home.

American Cablesystems notified the town that American will be merged into a wholly-owned subsidiary of Continental Cablevision. No changes in management, staff or operations are anticipated.

Notice was received from the Massachusetts Department of Revenue that Marion's "free cash" has been certified as $223,572.00. Also, that the unencumbered excess and deficiency funds/surplus revenue available July 1, 1987 is $141,698.00 for the Upper Cape Cod Regional Vocational Technical School District.

There was a discussion on the draft of the letter from the Selectmen informing townspeople of the present state of affairs in the water department and plans for the future. The question was raised that 5 pages of copy might be too much and there may be an effort made to condense the message. The letter will be sent out with the water bills next week.

Letters were received from Senator MacLean, Senator John F. Parker and Representative John Bradford passing on the town's concerns about excessive

salting on Route 195 to Commissioner Robert T. Tierney of the Massachusetts Department of Public Works.

The Board of Selectmen reviewed 13 articles which are planned for the Special Town Meeting scheduled for December 15th at 7:30 p.m.

John Crowne was approved as a new member of the Conservation Commission.

Selectman Richard Lagreze announced that the Private Roads Committee, under the chairmanship of Frank Robillatto, would submit proposed by-law changes to Town Counsel Tom Crotty, and has scheduled a public hearing for November 24 at 8 p.m. with Selectmen and Planning Board members present.

The Marion Town Election has been scheduled for April 29, 1988.

Suzanne Byron, speaking for Pardon Gibbs, stated that there had been a misunderstanding concerning Mr. Gibbs' recommendation that the Town consider changing the method of acquiring a Treasurer/Collector for the Town. Mr. Gibbs' intent was to recommend that the Treasurer position be appointed and that the Tax Collector and Town Clerk positions remain elective. There will be an article on the warrant of the Special Town Meeting which will authorize the Selectmen to file a home-rule petition for the appointment of a Treasurer/Tax Collector.

The Marine Resources Committee (M.R.C.) questionnaire will be sent out with the water bills and non-resident boat owners will be notified by mail.

The Selectmen discussed a plan for raising funds for the Dollars for Scholars program with the Assessors. No conclusions were arrived at.

There was discussion concerning parking on South Street in view of the upcoming snow problems. There was a suggestion that parking be restricted to one side of the street so the plow could throw the snow all in one direction. Investigation continues.

Citing successful arrangements by other towns, it was stated that it may be possible for the town to hire a shared professional planner who would work with the Town Planning Board. The State is encouraging this kind of regional cooperation and would subsidize 75% of the first year's salary and 50% of the second year. More specifics were requested for study.

BOARD OF HEALTH

In order to help eliminate any misunderstandings between the Conservation Commission and the Board of Health, any disposal plans which require wetlands delineation shall be referred to the Conservation Commission for validation before acceptance by the Board of Health. In the town of Chatham an inspection by the Board of Health is required before the transfer of any property to insure that the disposal system is operating properly. Any deficiencies must be corrected by the seller. It is suggested that Marion look into the matter and decide if these regulations should be pursued by the Marion authorities.

There was a discussion whether a Registered Sanitarian should be

hired for all inspections. Where would the money come from? was one of the questions.

Selectman Pratt suggested that the Visiting Nurses' budget is not very realistic. Because the free blood pressure clinic alone services clients with 988 visits during the past year the Visiting Nurse request for $500. from the Town seems to be grossly underfunded. An effort must be made to bring the town into line with the true cost of providing these and other services.

The Board of Health revoked Permit #1011 for a disposal system because the necessary ground water observations had not been taken.

Sippican Choral Society

CHRISTMAS CONCERT

The annual Christmas Concert by the Sippican Choral Society will be held on Sunday, December 6th, at 4:00 p.m. in the Wickenden Chapel of Tabor Academy, Spring Street, Marion.

The featured works on the program will be performances of Telemann's Alleluia! Sing to the Lord a New Song and Pergolesi's Magnificat. Telemann, a contemporary of Bach and Handel, was one of the most prolific composers of the early 18th century and was more highly esteemed by his contemporaries than Bach. Accompanying the chorus will be members of the Cape Cod Symphony Orchestra.

The program will also include music

Mattapoisett Council on Aging

The Mattapoisett Council on Aging has received notice that as of the first of the year Social Security beneficiaries will receive a monthly increase of 4.2%. SSI recipients will also receive a rase effective on the same date. SSI recipients should remember that a "raise" means an increase in their total income, not necessarily an increase in their SSI checks.

The monthly premium for Medicare Medical Insurance will increase to $24.80 per month. The premium in 1987 was $17.90.

The Medicare Hospital Insurance deductible, the amount a Medicare patient is responsible for when he or she first receives hospital in-patient services in a benefit period, will increase to $540 in 1988. In 1987 the deductible was $520.

The medical insurance, or Part B deductible, will remain $75. per year, unchanged from 1987.

If you are on Medicaid, most of the above deductibles and co-insurance will be covered. To see if you are eligible for Medicaid,

Set the table with thanks.

Machacam Club

The December Machacam Club meeting will be held at the American Legion Post on Wednesday, December 2nd. The social hour will begin at 5:00 p.m. The December speaker will be Charles Dunn and his topic is Thomas Dexter, America's first business man. During his talk Charlie will link Thomas Dexter directly to Paul Revere, one of his more famous relatives.

Callers are reminded to phone in their counts not later than November 30th. Late reservations or changes can be made by calling 758-9311 not later than 9:00 p.m. November 30th.

Marion Social Club

The Marion Social Club will once again distribute Thanksgiving baskets to Marion's elder citizens and those with a need. For those unable to cook, the Social Club will supply the turkeys and fixings to Rose Jackson who each year cooks and delivers about 20 meals on Thanksgiving Day. The Social Club delivers about 100 baskets each year. All of the people involved are busy, thoughtful and caring citizens. The Council on Aging in Marion salutes them and thanks all involved. Marion is lucky to have these people and is a better town because of them.

At Christmas time the Police Association takes over and baskets are once again delivered.

Christmas Around Handy's Tavern

The Sippican Woman's Club of Marion will be hosting a Christmas House tour on Saturday, December 12th, from 10:00 to 4:00. First stop on the tour will be the clubhouse (formerly Handy's Tavern) on Front Street in Marion Village. Brochures for the tour will be distributed at this location.

A Sugar Plum Tea will be served from 2:00 to 4:00 in the vestry of the Marion Congregational Church. Tickets are $12.00 and may be purchased by calling Judy at 748-2540. A Chowder Lunch will be served in the parish hall of St. Gabriel's Episcopal Church on South Street, Marion from 11:30 to 1:00. There will be an additional $3.00 charge for this lunch.

While at the clubhouse, be sure to visit the dining room and view the "Bear's Den", featuring more than 80 dressed and decorated bears.

All proceeds from the Christmas House Tour and Chowder Lunch will benefit the Sippican Woman's Club Scholarship Fund.

in the 1988 National Merit Scholarship Program and will receive a Letter of Commendation in recognition of outstanding academic promise. The principal, Donald H. Murphy, announced that these seniors placed in the top 50,000 of more than one million participants in the 33rd annual Merit Program.

A spokesman for National Merit Scholarship Corporation (NMSC) of Evanston, Illinois, which conducts the competition, pointed out that being designated a Commended Student in the Merit Program is an accomplishment of which both the student and the high school may be especially proud. High performance in this rigorous competition is indicative of exceptional scholastic ability, which schools play an important role in developing. It is hoped that recognition of these young men and women will add to their motivation to pursue higher education and to become productive adult citizens in a society that values talents such as theirs.

Participants entered the current Merit Program by taking the PSAT/NMSQT in October 1986, when most of them were juniors. Although their

If you saw too much of this last winter, call us now.

We'll show you how a new Weil-McLain Model 68 oil boiler could save you hundreds of dollars on your heating bills next winter.

The fact is, many older boilers operate at only about 60% efficiency. That means that as much as 40% of the fuel you're paying for could be going right up the chimney. The new Weil-McLain 68 oil boiler operates at over 84% efficiency—so it can save you enough money in oil bills to pay for itself in a few short years.

Santa Home Visits

MOM AND DAD:

Would you like to have Santa pay a visit to your home this year? Sponsored by the Old Rochester American Field Service Chapter, appointments for five minute Santa visits may be made by calling 758-6992 in Mattapoisett or 748-2340 in Marion. All visits will take place in the early evening from Saturday, December 12th, through Wednesday, December 23rd. A contribution of $5.00 is required. All proceeds will benefit the foreign student exchange program at Old Rochester.

F.H.S. Tree Lighting

The 4th annual Christmas Tree Lighting ceremony on the grounds of Fairhaven High School is scheduled for 5 p.m. Saturday, November 28th. The event is sponsored by the Fairhaven High School Alumni Association. Everyone is invited.

Each light on the tree represents a $5. contribution. Dr. Martha E. Cummings, general chairperson of the event, said that last year's Christmas tree raised enough money to replace the lights in Room 7 of the high school with lighting fixtures more suitable to the historic room. The project should be completed this year.

John Medeiros once again is serving as coordinator of the installation of the giant tree, donated by Elizabeth and Bill Field of Mattapoisett. Assisting will be Fair-

Letters to the Editor

The past few weeks have been very gratifying with the erection of the new playground equipment at Center School, and the many words of praise spoken and written concerning the project. It has taken over a year to complete the bulk of the project, with the time and money from many people.

I wish I could recognize the efforts of all who attended meetings and helped with the fund-raising, design and building of the playground, but I see over one hundred people who should be signaled out for important contributions. I do not wish to miss anyone, so I hope all will accept a general "Thank

You".

The greatest reward is when you share the joy the revitalization has brought to our children. Truly that is the real payoff. To see life brought back to that piece of land, to see it in constant use, is all the thanks anyone of us needs.

Special thanks is given to those who helped from the start and to those who picked up the committee during a few 'low' moments, and to the many hundreds who donated money to help us toward our goal.

The job is not finished, we wish to continue working to improve the playground the next few months until spring-time. Anyone wishing to help may contact me.

LETTER TO THE EDITOR

This past Wednesday evening, November 18th, at seven o'clock p.m., the Mattapoisett Library held an Open House to explain SEAL and its part in automating the library's holdings.

After taking out books two weeks ago and listening to Marilyn explain some of the automation to me, she asked me to attend the open house. My support, she said, would be helpful.

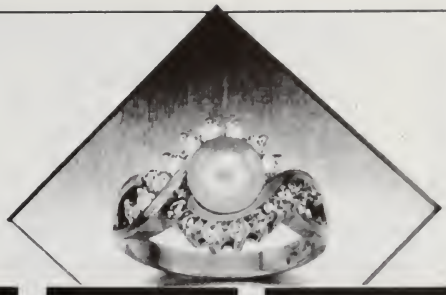
Upon entering the library last night and waiting an extra twenty minutes for late arrivals, I came to realize that she had meant MY support. I represented the community. Without my husband and I, the SEAL director, librarians and trustees could have re-reiterated where the terminals would be placed, how many would be patron walk-up models, that the money asked for would not eat into money allocated for the library but be entered as a separate line item, that grants were available, that with this system in place expensive reference books could be shared rather than bought by each library - helping those libraries without endowments or large budgets, inter-library book loans would take less location and retrieval time and be read before you forgot what you had requested....they could have filled up on cookies and coffee, nodded their approvals and wrapped up the meeting in fifteen minutes. But no, they had the community to give their information to, answer questions and pose for pictures.

I wonder why the Mattapoisett community is so anonymous, why few people give any of their time to town committees and organizations - the same faces appear, more tired with every year. There are

STILL TIME

to have your diamonds or colored stone jewelry remounted

for the Holidays or gift giving



Presto Friends:

I would like to make a few comments about remounts. First of all, remounting in our store is done by people who work for us either by supplying a ready-made casting or die-struck mounting, or by designing a mounting and hand-making from scratch a one-of-a-kind masterpiece. Many other stores are running remount seminars for one day by appointment. You should wonder and ask ... if you are not satisfied, can the store take care of the problem or do you have to deal with someone from who-knows-where out-of-state? These merchandisers also throw in a promotion to try to get you into the store, like a free colored stone. Well, make no mistake: you're paying for that promotional stone and, furthermore, now you have to buy another mounting to put it in.

Tired of promotions, gimmicks and slick salespeople who run up the price to knock off 50%? Then come to Smith & Neil for no-nonsense service and remounts.

three areas where I have noticed a gathered community, summer evening concerts, the town beaches and in church. Not at school meetings, town meetings and voting. Going to the concerts are relaxing, a place where one isn't required to participate, unlike after supper meetings.

An aside comment overheard last week in the library was: "The automation won't pass, it's about time this town cracked down on spending." After all, we have Marion and Fairhaven Libraries close by, ten minutes away, we can use their systems, use their books and dedicate our quaint library as an archival memorial to out-of-date books and the good ol' days.

I hope that, for the people that do use the town library, the allocation of $20,000 passes at the upcoming town meeting. It will take more than a couple of interested townspeople.

The focus of the program is a reenactment by high school students from Maine and Massachusetts of the Massachusetts United States Constitution Ratification Convention of 1788, and a consideration of the Constitution as an appropriate governing design for the next 200 years. Old Rochester is sending two delegates to this reenactment from the Tri-Town area (then all called Rochester) who were representatives at the ratification convention in 1788. These two men were Nathaniel Hammond and Abraham Holmes who lived in the area. The two classes are trying to collect information about the lives of these two men and life in the 1780s in the Tri-Town area. If you have any information pertaining to this please contact Nancy O'Brien or Ronald Normand at Old Rochester Regional High School, 758-3745.

VISIT FISHER & ROCHA INC.

On our way to Fisher & Rocha, Inc. we crossed Route 6. Safety Officer Ennis helped us cross safely. When we got there, Mr. Rocha showed us around the workshop. We saw the machine that bent sheet metal. The blueprints were on the drawing board in an office. Upstairs they were sawing wood and it was noisy. They were building a window and a garage door. Mr. Rocha took us to the office building. The first thing we saw was the computer. Upstairs he

PUBLIC NOTICE

Children aged three through twenty-one who are found to be in need of special education are entitled to services from the school system. Anyone in the community who knows of a student who might need special services should contact either the local school or the Director of Special Education at 758-2772. We will provide information about the "rights of parents and children" and about how to access appropriate services.

Our school systems provide much planning information to the State Department of Education. These documents are public. Copies are available in the Special Education office (at the Old Rochester Regional District High School). We are open to answering questions and accepting comments about special education in any of our schools. Any parents or member of the community who would like to have input into our planning for special education should call the Director of Special Education at 758-2772.

lar and sacred favorites of the season. Handel's "Music for the Royal Fireworks" opens the evening. Composed in 1748 for an outdoor extravaganza commemorating the signing of a peace treaty, the work sets a festive tone for the holiday music to follow.

Tchaikovsky's "Nutcracker" is always a favorite of holiday performances. This year, as the Philharmonic plays excerpts from "The Nutcracker", students from Children's Ballet Workshop of Hingham will dance to the music. Children's Ballet Workshop, directed by Nan Cogswell Keating, has in recent years provided dancers for the roles of Clara and Fritz in the Boston Ballet Company's "Nutcracker" productions.

A massed chorus of two hundred voices performs with the orchestra in the second half of the program. The group is comprised of members of the Sippican Choral Society of Marion, Mayflower Chorale of Middleboro, Taunton Civic Chorus and choruses of Duxbury and Plymouth High Schools. Choral works include traditional and modern carols, Irving Berlin's "White Christmas", and "Hallelujah Chorus" from the Messiah. The audience will be invited to join the choruses in a sing-along of well-known carols.

Other works to be performed are Leroy Anderson's "Sleigh Ride", "Let it Snow! Let it Snow! Let it Snow!" and a medley of familiar Christmas songs that have become famous through recordings including "Frosty the Snowman", "Here Comes Santa Claus", and "Have Yourself a Merry Little Christmas".

The audience will have an opportunity to do a little holiday shopping at this concert too. A boutique of music-related items, stocking stuffers and symphony chocolates,

The Plymouth Philharmonic Orchestra's Holiday Pops Concert has been performed to sellout houses for the past several years. A limited amount of seats remains for this year's concert. Tickets are on sale now at The Snow Goose Gift & Christmas Shop (Plymouth), Notes & Quotes (Kingston), The Studio (Duxbury) and Hub Music Shop (Pembroke). To charge tickets by phone call the Philharmonic office at 746-8008.

The Plymouth Philharmonic Orchestra's 1987-88 subscription concert series is made possible with support from the Massachusetts Council on the Arts and Humanities, a state agency. The series is additionally supported by grants from the Massachusetts Arts Lottery as administered by the Arts Lottery Councils of Plymouth, Duxbury, Kingstone, Hanson, Carver and Pembroke. to Newbury College's evening Physical Therapist Assistant program. Those interested in applying are advised to call 996-3138 as soon as possible to arrange an appointment, as spaces in the program are limited. Classes begin on January 25th.

Now in its second year at the New Bedford Campus, the associate degree program is allied with the Physical Therapy Department at St. Luke's Hospital. The general education requirements of the program are taught at Newbury's New Bedford High School location, while the professional courses are conducted at St. Luke's by members of the Physical Therapy staff.

The evening program, designed for the convenience of adult students with daytime obligations, has been developed to meet the growing community need for trained assistants to work with the registered physical therapists in fields such as sports medicine, neurology, pediatrics, and geriatrics. It also offers wider opportunities for students, many already working in the field, to attain a degree and to prepare for the state licensure examination.

Newbury College, a two-year college, is accredited by the New England Association of Schools and Colleges, and offers over 30 programs of study in many locations.

COSMETOLOGY HOSTS DEMONSTRATIONS

Recently the Cosmetology Department at Old Colony Regional Vocational Technical High School hosted two live demonstrations.

Gwen Santos of Mary Kay Cosmetics presented the students with live demonstrations of the newest line of beauty make-up. The students were given the opportunity to try the new products.

Last week Rita Seguin, a 1984 Old Colony graduate, returned to the school to demonstrate new hair cutting techniques. Rita is employed by Shear Sensations which is owned by Anne Walsh, a 1979 Old Colony Cosmetology graduate.

OLD COLONY RECEIVES
FORD MOTOR CO. DONATION

The Automotive Department at Old Colony Regional Vocational Technical High School was a recipient of a donation from the Ford Motor Company. The school received two 1987 5.0 liter EFI V-8 engines. The engines are high output, electronic fuel injection engines in perfect running condition. These engines are found in 1987 Lincoln Continentals and Ford Mustangs.

The Automotive Department will use the engines for practicing diag-

Paul Winter creates an idiom of music that transcends categories, reflecting the lifelong experience in jazz, symphonic and ethnic musical traditions. Winter's dedication to environmental preservation and to peace are also reflected in the Consort's music, which includes the voices of wolf, whale and eagle in musical celebrations of the natural world. An advocate for the preservation of the wilderness for years, Winter believes: "We have to learn to live in harmony with nature and her constituents, with the forests, animals, oceans, air, ourselves. We are making global war on nature, and have to declare an armistice."

Winter was born into a musical family in Altoona, PA. A child prodigy, Winter learned the drums at five, the piano at six and the clarinet by the age of eight. By the time he was twelve, Winter had taken up his primary instrument, the soprano saxophone, and was playing in marching bands, dance orchestras and the local symphony.

In the early 1970s Paul Winter developed his own style of "Living Music" when he formed the original Paul Winter Consort, releasing music that has influenced the generation of musicians making "new age" music today.

In 1980 Winter established a 24-track recording studio in a converted barn on his Litchfield, CT. farm, thus creating the ideal artistic environment for his newly-founded record company, Living Music Records. "Callings", the first album issued on the Living Music label, was released in 1980 and based on Winter's 1977 whale-watching visit to Baja, California. Since then, he has released five albums including "Canyon" which was recorded over a period of years in the Cathedral of St. John the Divine (where Winter is the

artist-in-residence) and on rafting trips down the Colorado River in the Grand Canyon.

Presently, Winter is developing a series of albums called the "Song of Russia", inspired by the natural beauty of Russian geography. Winter hopes that the albums will demonstrate the people of United States and Russia's love of music and nature, thus breaking down the cultural and political barriers that separate the two nations.

Paul Winter and the Paul Winter Consort will perform a rich and beautifully moving musical adventure accessible to all.

Youth Theatre Series

CONTINUES WITH "JUST SO STORIES"

Put less money into your boiler.

A new Model 68 oil boiler from Weil-McLain could save you hundreds of dollars on your heating bills—this winter alone!

If your oil boiler is more than 10 years old, it could be operating at only 60% efficiency—or less. That means 40% of your heating dollars could be going right up the chimney.

But a new 68 boiler from Weil-McLain operates at 84% efficiency, which means it can pay for itself in just a few short years. That means more money in your pocket—and less in your boiler.

Find out how much you can save with a Weil-McLain 68 oil boiler. Call us today!

Have you ever wondered how the camel got its hump? How the elephant got its trunk? Mermaid Theatre's popular adaptation of Rudyard Kipling's "Just So Stories" provides answers to these questions and more in a striking theatre production designed especially for family audiences. The mask and puppet characters weave together four favorite tales of Kipling in an inventive setting of bamboo, wicker, raffia, and rope. The play's whimsical script, haunting musical score and highly original masks and puppets have enchanted children throughout the world.

The Mermaid Theatre of Nova Scotia makes its home in Wolfville, in Nova Scotia's Annapolis Valley. Best known for its focus on regional literature and its retelling of childhood classics, Mermaid Theatre has performed around the world at such places as The Royal Court in London, England; the John F. Kennedy Center for the Performing Arts in Washington, D.C.; and the Mexico City International Puppetry Festival, Mexico City.

"Just So Stories" is the second of five children's shows in the Zeiterion Theatre's Saturday Youth Theatre Festival. Other shows still to come are "Amelia Bedelia and Other Stories" (February 6), "The Adventures of Peter Rabbit" (March 19) and "Mary Poppins" (April 20).

The Zeiterion Theatre is located at 684 Purchase Street in historic downtown New Bedford.

at Massachusetts Audubon's Ashumet Holly Reservation in East Falmouth on December 4th, 5th and 6th from 10 a.m. to 3 p.m.

In addition to the fresh cut holly there will be an assortment of greens, wreaths, swags and holly trees for sale. The Potting Shed Herbary at Ashumet will feature herbal gifts, hand-crafted decorative accessories and the new Ashumet Pairpoint Cup Plate in the wild-flower series, the Trillium. Refreshments, including chowder and mulled cider, will be served.

The 45-acre Ashumet Holly Reservation was started by Wilfrid Wheeler in 1925 and now includes over 1,000 holly trees of eight species and 65 varieties. Elwood O. Mills, Sanctuary Director, invites Holly Days visitors to take a winter walk on the Reservation trails to enjoy the berry color on the American, English and Oriental holly trees.

Holly Days are sponsored by the Friends of Ashumet and Cape area garden clubs. Admission is free and proceeds from the sale will be used to help maintain the holly collection.

VICTORIAN CHRISTMAS

Share in a tradition as the Thornton W. Burgess Museum in Sandwich Village celebrates its annual "Victorian Christmas Open House" during the weekend of December 4th, 5th and 6th. Open House hours on Friday evening are from 6 to 9 p.m., on Saturday from 10 a.m. to 4 p.m., and on Sunday from 1 to 5 p.m.

Friday evening's activities include caroling outside around the "littlest Christmas tree" at 7 p.m. to be followed by a procession of lights and caroling through the streets of the village. This marks the beginning of "Christmas in Olde Sandwich Village" in which museums, shops, churches and town organizations participate with special events throughout the weekend. Inside the museum on that evening visitors are invited to join the Yuletide choral group in a sing-along from 7 to 9 p.m.

Open House at the Burgess Museum continues on Saturday featuring harp music during the morning hours and songs by Folk Spirit in the afternoon. On Sunday afternoon, local children perform a living creche on the grounds from 2 to 3 p.m. St. Nicholas arrives with his bag of goodies at 3 p.m. A cozy bedtime story beside the crackling fireplace beckons the young and young-at-heart at 4:30 p.m. Throughout the afternoon the strains of the harp add to the holiday atmosphere.

Delight in the authentic period decor in each room of the museum. Enjoy the featured exhibit of "101 Santas", a private collection representing the jolly old elf from
